3. General Rules and Conduct

3.1 Respect for the Game, Yourself, and Others

Golf is a great way to enjoy the outdoors, challenge yourself, and spend time with friends and family. However, it is important to remember that you are sharing the course with others. Please adhere to the following rules and etiquette:

3.2 Carts

Golf carts must not damage the course. Do not drive on or around greens or tees, and stay within the designated cart paths. Avoid driving on private property.

3.3 Safety

Ensure the group ahead is far enough out of range before hitting your ball. Wait until players are clear of the green before hitting onto it. Always check that your surroundings are safe before swinging.

3.4 Respect

Treat the game and fellow golfers with respect. Avoid swearing, throwing clubs, or any disruptive behaviour. Remain quiet when near other golfers who are preparing to play.

3.5 Putting Etiquette

When on the green, do not walk in the line between the hole and another player's ball. Footprints can interfere with the roll of the ball. Avoid standing directly in another player's line of sight when they are putting.

3.6 Food and Beverage

Outside food and beverages, including personal coolers, are not permitted on the estate.

3.7 Conduct

The Club reserves the right to refuse service to any member or guest who violates these rules.

3.8 Smoking

The Pro Shop and Clubhouse are non-smoking areas. Smoking is permitted only in designated outdoor areas. Please dispose of cigarette and cigar butts in the provided receptacles. As the estate is part of a conservancy, throwing cigarette butts on the golf course is strictly prohibited. Golfers are required to use the ashtrays provided on carts or the bins located throughout the course. A fine of R1500 will be imposed for violating this rule.

3.9 Pets

Only small dogs on leashes are allowed in the clubhouse and on the estate grounds.

THE CLARENS

GOLF & LEISURE ESTATE

3.10 Personal Belongings

The Club is not responsible for lost or stolen items. Any lost property will be kept in the Pro Shop for 14 days; after that, unclaimed items may be donated to charity or disposed of.

3.11 Vehicles

Vehicles must be parked in designated areas only. The use of bicycles, motorized scooters, mopeds, mini-bikes, go-carts, skateboards, rollerblades, or motorcycles on the golf course is prohibited. If these vehicles are used to transport members or guests to the Club, they must be parked in designated parking areas. Overnight parking is not allowed. Changing clothes, eating, or drinking in the parking lot is also prohibited.

3.12 Solicitation and Sales

The sale of products or services and the solicitation of funds are not permitted on Club property. No posters, advertisements, or publications may be displayed or distributed without prior approval.

3.13 Safety and Accidents

The Club is committed to the safety and well-being of all members and guests. Any unsafe conditions should be immediately reported to a staff member. In case of an emergency, call 058 256 1270 for assistance. If a member or guest is injured or involved in an accident, they must notify the Club immediately so that an incident report can be completed.

3.14 Private Property

Members and visitors must not enter private property, including from the golf course, to retrieve lost balls. Any breach of this rule will result in disciplinary action. Balls that land on private property are considered lost, and retrieving them is not allowed. Please respect the privacy of residents.

Pedestrians, runners, and cyclists must use designated cart paths and are not permitted near or on the greens.

3.15 Disclaimers

- Ensure that your vehicle is securely locked and valuables are kept out of sight. While security guards are on duty, the Club is not responsible for any loss or damage to personal property.
- Caddies are independent contractors and are not employed by the Club. The responsibility for the safety of personal belongings lies with the golfer.
- Do not leave valuable items in the Locker Rooms, as the Club cannot be held responsible for any loss or damage.

3.16 Arrival at the Course

Members should arrive at least 20 minutes before their scheduled tee-off time, fully prepared to play as soon as the group ahead is out of range. If you are unable to make your scheduled tee-off time, notify the Pro Shop or Starter as far in advance as possible to avoid affecting other players. Failure to do so may result in cart allocation being at Management's discretion.

Players starting after 13:30 must have a clear fairway behind them and must receive approval from the Pro Shop.

4.9 Five-Balls (Fivesomes)

4.10 Winter Conditions

During winter, the Pro Shop will determine tee-off times based on when the frost has melted and it is safe to play.

- If play begins on Hole #10, the group is committed to completing 18 holes, and no rain checks will be issued.
- Suspension of play: The Pro Shop Manager and Greenkeeper will determine when the course is unplayable. In the event of lightning, players must suspend play immediately. If rain causes the course to close, no carts will be allowed, and play will resume at management's discretion.
